

Dear FCC:

I am very disturbed by Sinclair Broadcasting's plans to air a vehemently anti-John Kerry "documentary" only 2 weeks before the election.

I am also disturbed that there is no opportunity for the Kerry campaign to respond or to offer a rebuttal to the program.

The fact that a giant corporation would attempt to present a blatantly biased program in an attempt to affect the outcome of the election is not only disturbing, but appears to violate federal election law.

Sinclair is abusing its use of the public airwaves. I urge you to stop the broadcast of this program immediately, and to take this incident into account when their licenses come up for renewal. Thank you.
